BLUE MOUNTAINS PAINTING

Top Colour Picks

At Blue Mountains Painting, we understand that the choice of colours is not just about aesthetics, but about creating an atmosphere that aligns with your vision and style. The right hues can transform any space, breathing life into interiors or adding character to exterior façades. To help guide you in your decision-making process, we've curated a selection of our top recommended colours - based on industry recommendations, customer favourites, and our team's expert experience.

Paint Product

We are proud to use premium quality brands of paint.

If you prefer to use a unique or specific brand of paint outside of our recommended, additional charges may apply.

wattyl®

RECOMMENDED SHEEN LEVELS

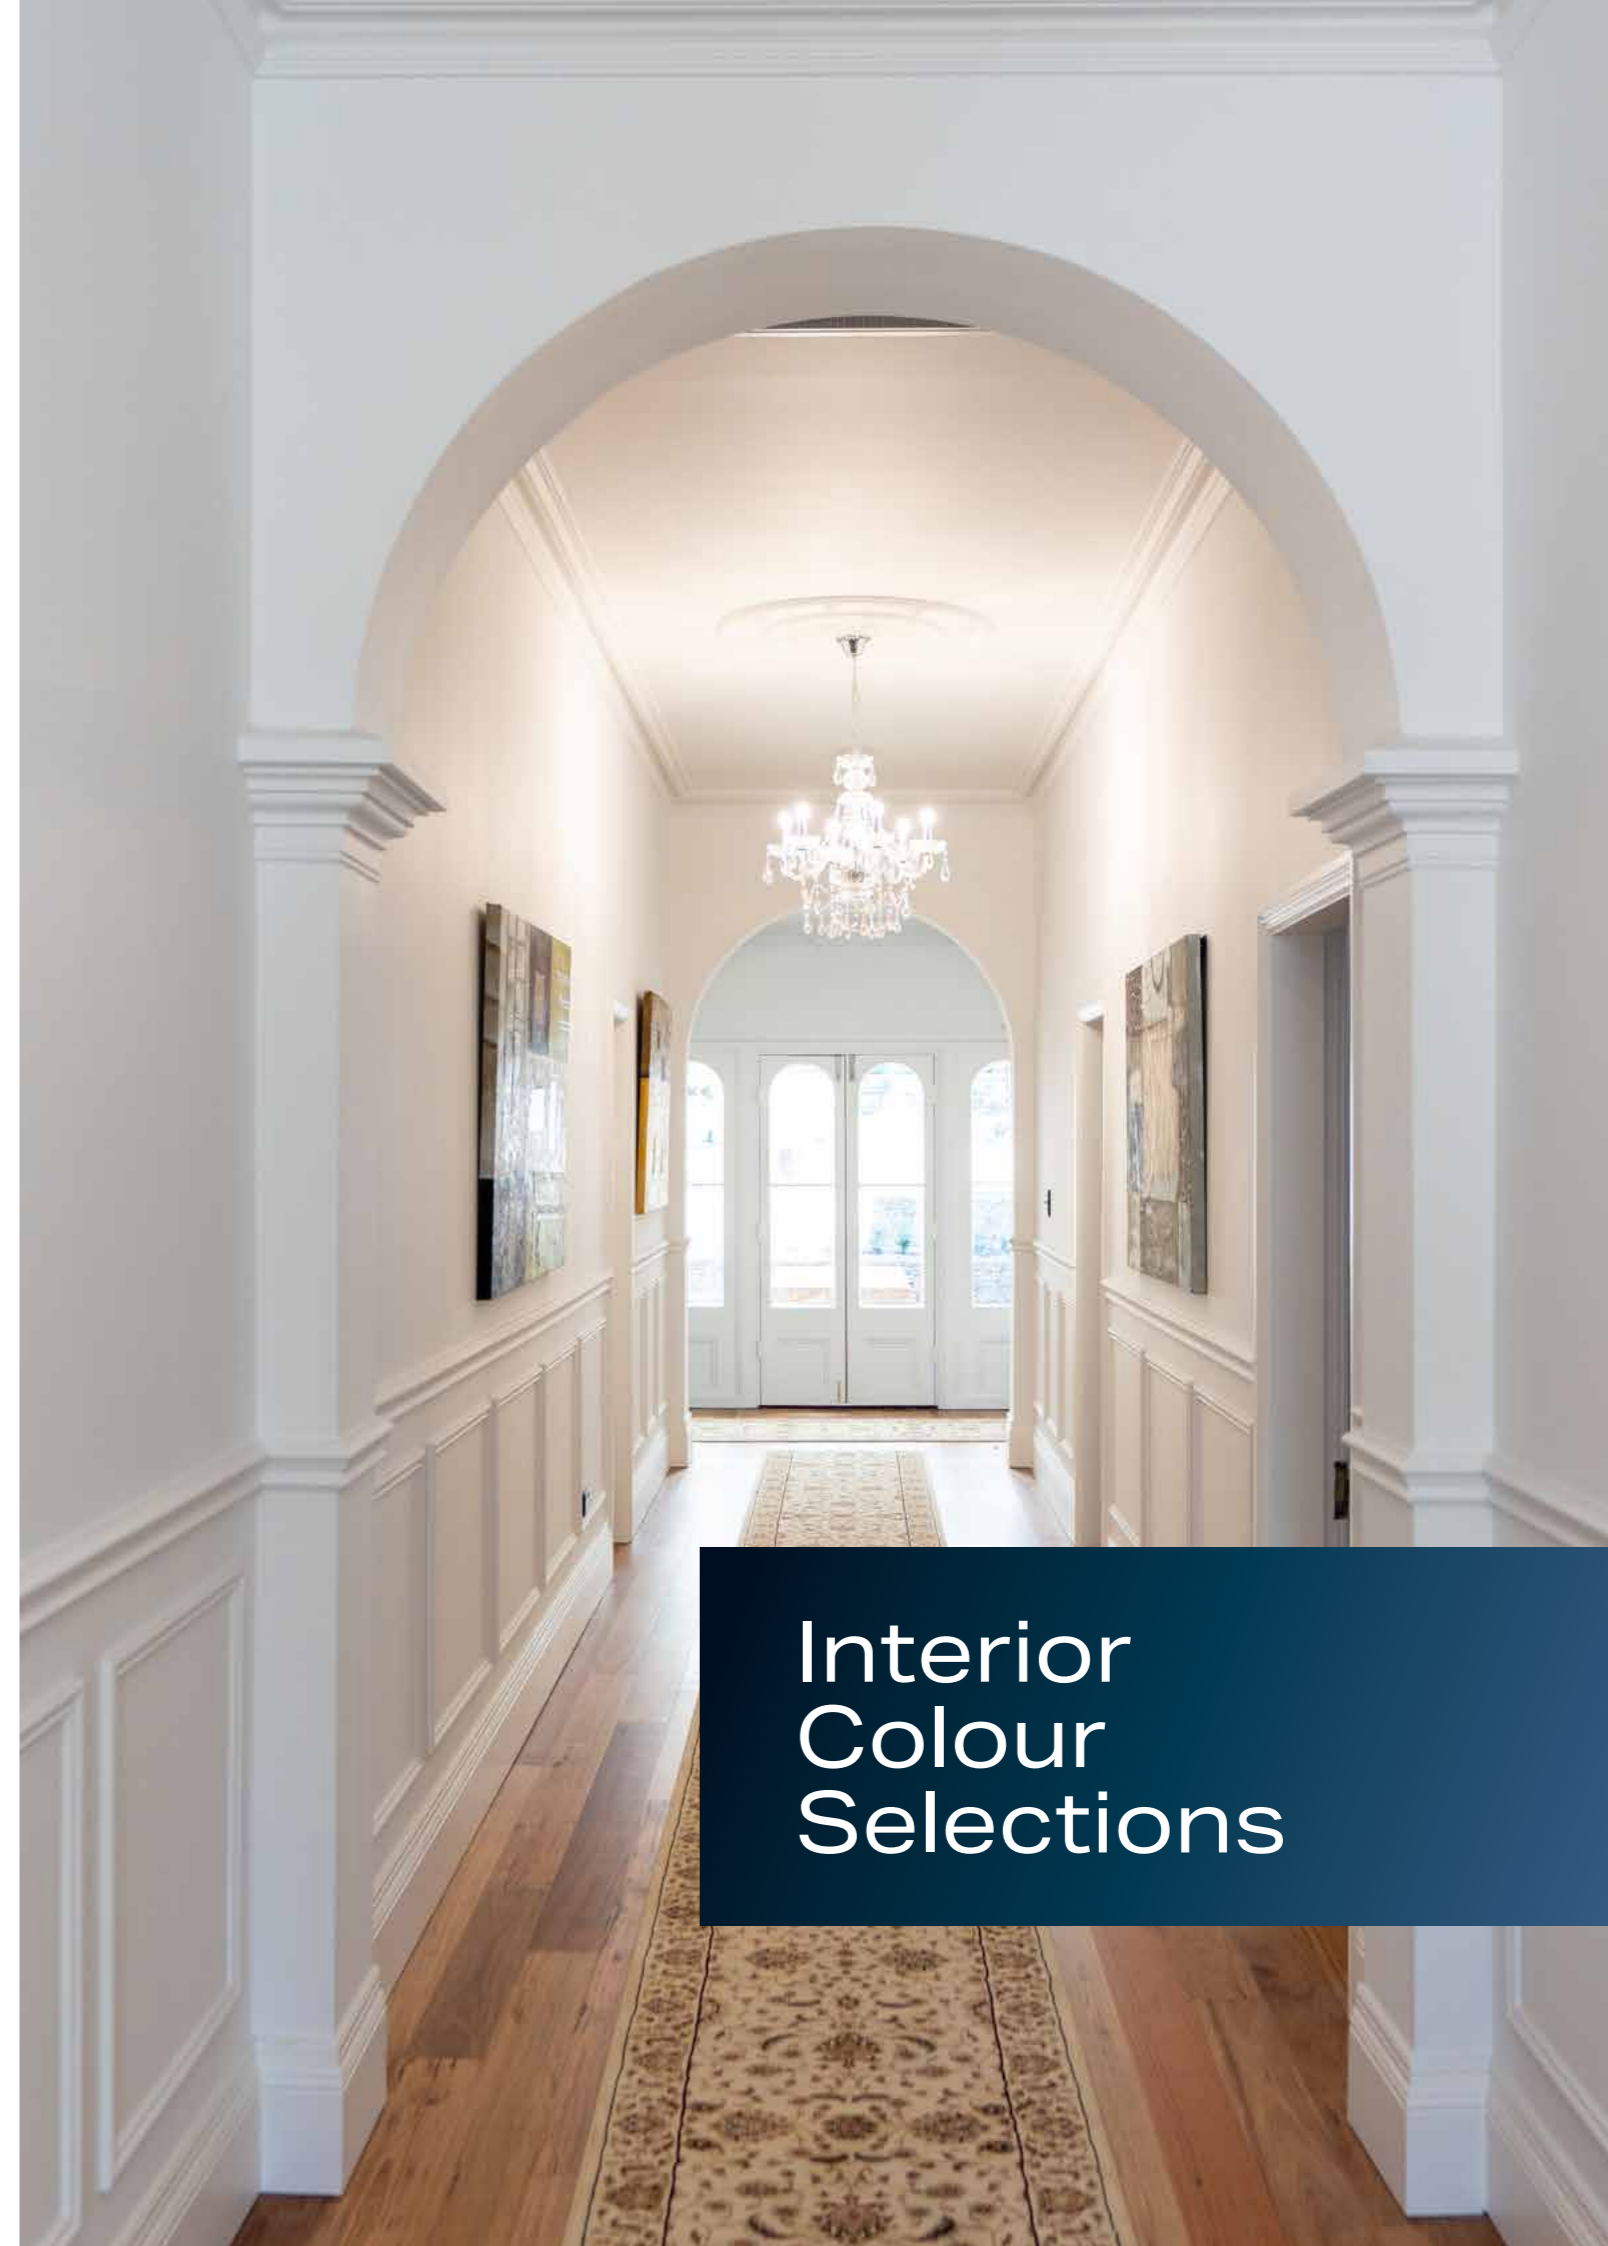

'Sheen level' refers to how shiny a paint is and how much light is reflected from its surface.

Interior Sheen Levels

- **Ceilings:** Standard Ceiling Flat White
- **Walls:** Low Sheen
- **Timber Windows, Doors, Door Frames, Skirtings:** Semi Gloss

Exterior Sheen Levels

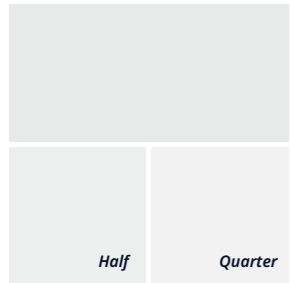

- **Fascias, Window Frames:** Semi Gloss
- **Eaves, Rendered Walls, Downpipes, Weatherboards:** Low Sheen
- **Roof:** Satin

Selections

WHITES & NEUTRALS

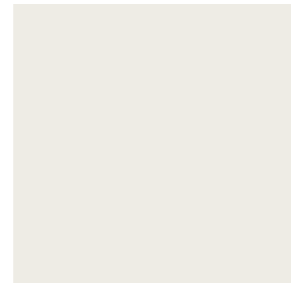

Neutral colours that never let us down - perfect for all!

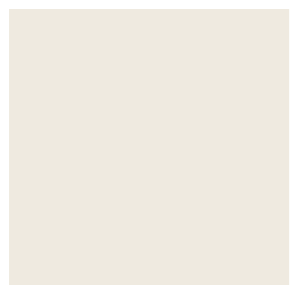

Lexicon

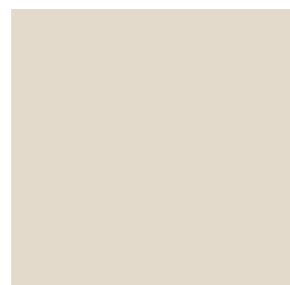

Snowy Mountains

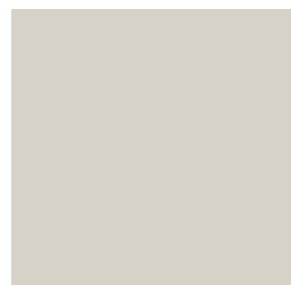

Natural White

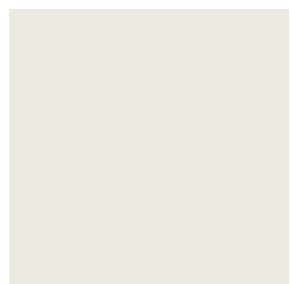

Antique White U.s.a

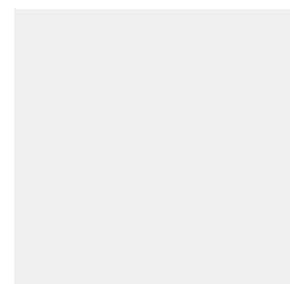

Buff It Half

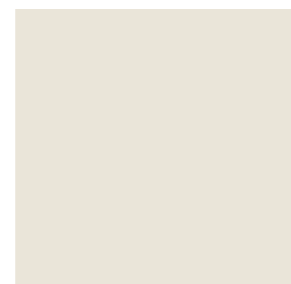

Feather Soft

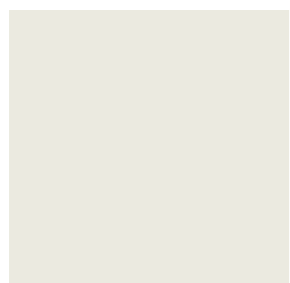

Whisper White

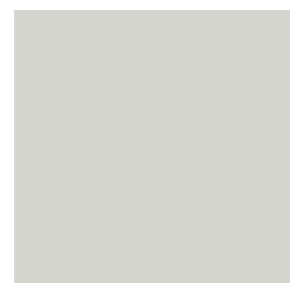

White On White

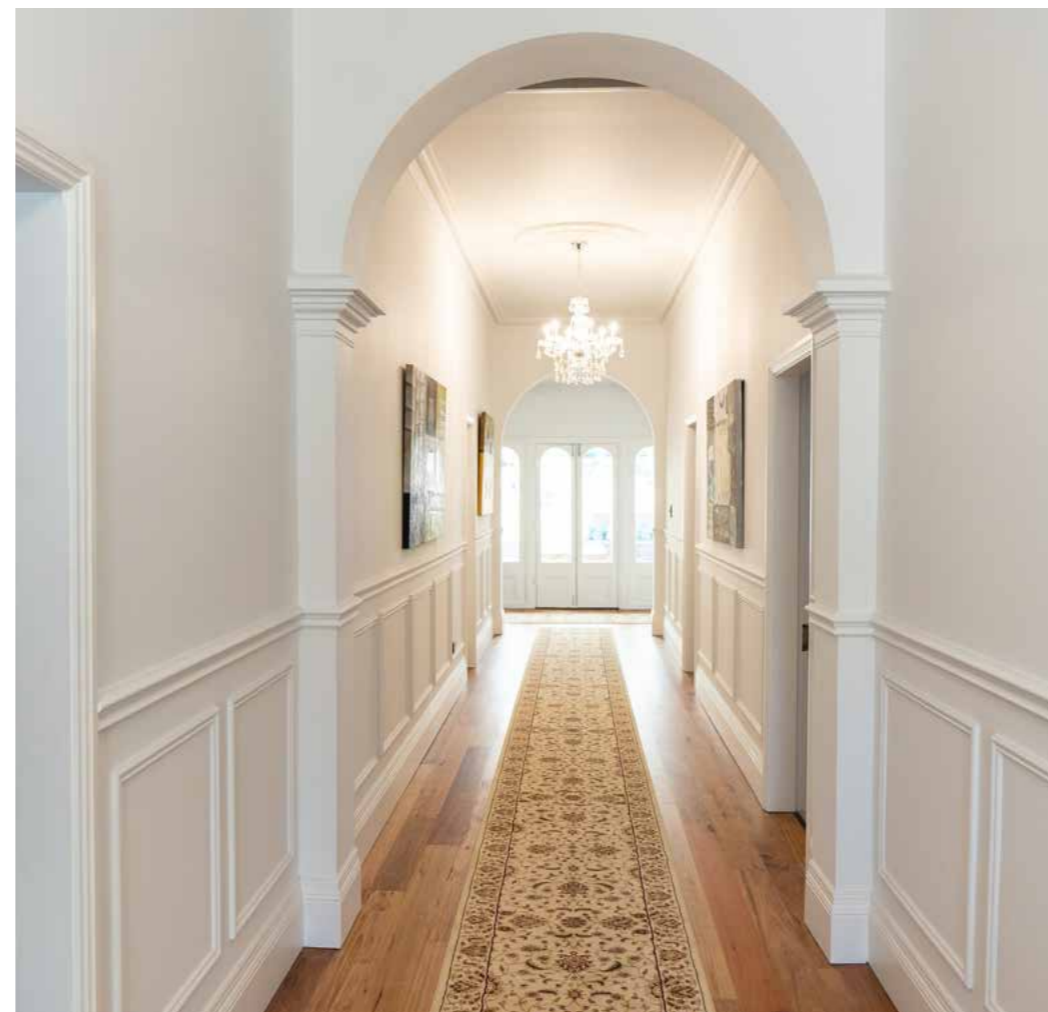

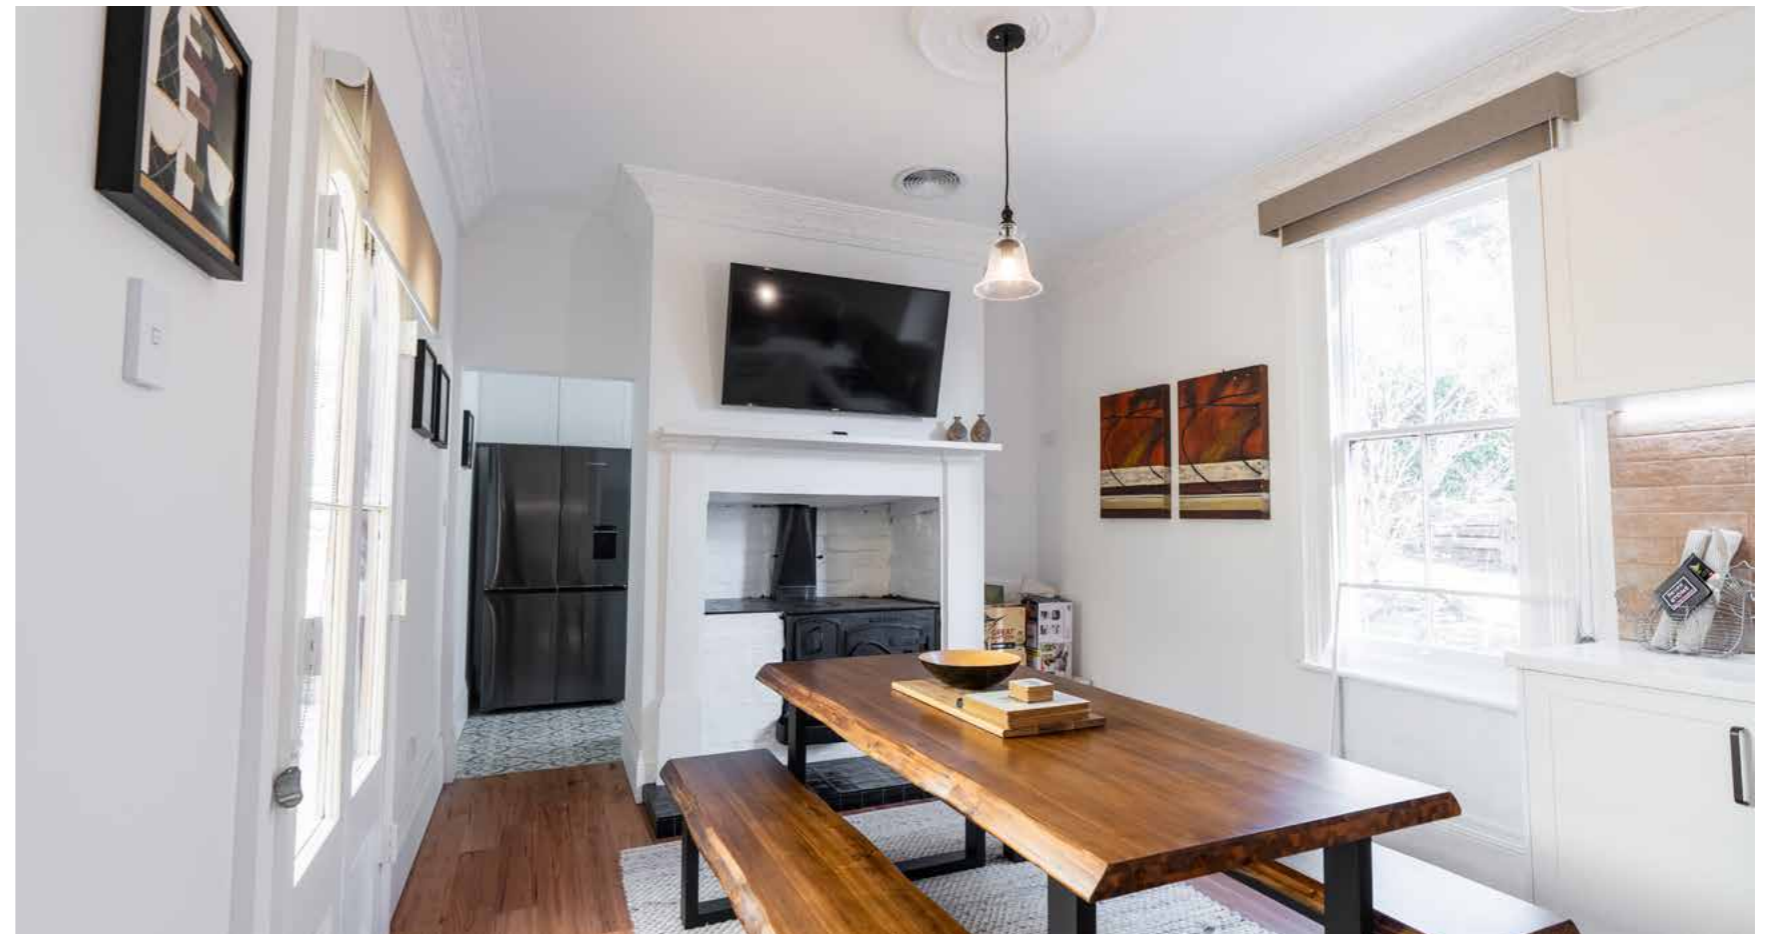

Elusive White

White Illusion

Silver Tea Set

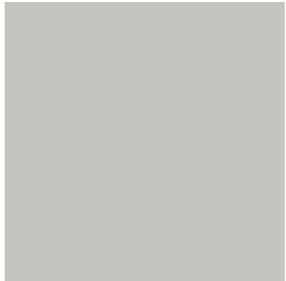

*We do not recommend using "Vivid White" due to its thin consistency, which may result in incomplete coverage. Additional coats may be necessary for optimal results.

SOFT TONES

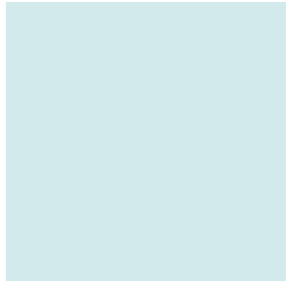

Colours perfect for those wanting a hint of colour or tones to their space!

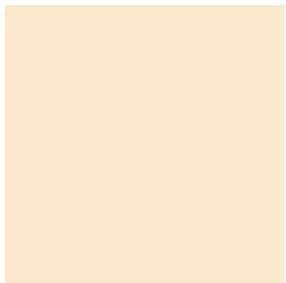

Spanish Olive

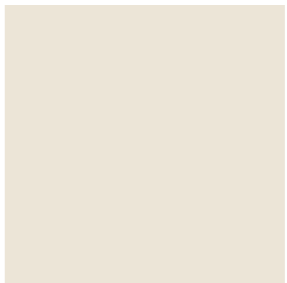

Linseed

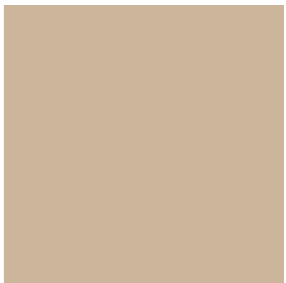

Clear Skies

Spanish Cream Half
